## Enjoy the oldest european tea.

### Offering gorreana is offering history with aroma.

Founded in 1883 and located in Azores, the Gorreana tea factory is the oldest in Europe. The same family has been managing the planting area of 45 hectares for about 5 generations.

Gorreana teas represent a union of taste, health and ecology.

Gorreana teas have worldwide recognition and are ranked as some of the best and purest teas in the world.

### Black tea

The black tea Pekoe has a very strong and aromatic flavour. It is produced from the plant's second bearing bud. Due to the strong oxidation of Camelia Sinensis leaves, this tea displays a reddish and dark color and it also contains antioxidants, neuro-stimulants and caffeine.

### Green tea

Green tea is rich in tannin and has a smooth taste. This tea has great anti-oxidant and slimming effects, anti-cancer and anti-aging properties.
